Passionating road to become

Programing Developer

ABOUT ME

Hi!! i'm Phon, be thankfull for your attended visiting my profile, all the task strongly defined my self that's i'm so passionate walking on the raod to Programer. walking on these way is so challenge for me to walk with growing up of technology but, i strongly believed that "just play attention on my way, challenging always activated me to keep learnning and i always defined my self by these poety :

" Even the class completed with Answer, i still Questionated and even my book full of the letter, there's always space for **next chapter** "

EDUCATION HISTORY

Ungraduate Bachelor of Computer Science
